Dear Professor Griffin,

Thank you for your letter and explanation for postpone FEAM Council Meeting, a FEAM Forum roundtable on antimicrobial resistance and our joint Symposium on Preventive medicine.

Hopefully, we will organize all in near future in Zagreb. We prepared all needed for good logistic organization for March 26.-27., 2020. Among other things, we printed Book of Abstracts and Programme of Symposium on Preventive Medicine.

Thank you on your support and understanding. We are on your disposal for next meetings.

Sincerely Yours,

Professor Jasna Lipozenčić, MD, PhD
CAMS President
