

OSOBNNE INFORMACIJE

Ime i prezime: Branka Bedenić

OBRAZOVANJE

Dr. sc. 1998. Ustanova: Medicinski fakultet Sveučilišta u Zagrebu

Mr. sc. 1993. Ustanova: Medicinski fakultet Sveučilišta u Zagrebu

ZAPOSLENJE

Medicinski fakultet Zagreb 2017. - danas

Redoviti profesor u trajnom izboru,

od 2001. liječnik mikrobiolog KBC Zagreb

OSTALA POSTIGNUĆA

- Član uredničkog odbora časopisa Medicinski glasnik i Microorganisms, uređivala tematske brojeve u časopisima Pharmaceuticals, Microorganisms i Pathogens.
- Jedan od urednika knjige „Odabrana poglavlja kliničke mikrobiologije“, urednik knjige: Multirezistentne bakterije-odabrana poglavlja.
- Autor poglavlja u knjigama: 22
- Stalni recenzent časopisa International Journal of Antimicrobial Agents, Journal of Antimicrobial Chemotherapy, Journal of Global Antimicrobial Resistance, Heliyon, Frontiers in Microbiology, BMC Microbiology, napisala preko 400 recenzija za međunarodne časopise
- 2015-2020-partner projekta FAPIC (Horizon 2020), 2007.-2013. Projekt mzos-a : Mehanizmi rezistencije na antibiotike u Gram-negativnim bakterijama, voditelj šest Sveučilišnih potpora
- Ukupno 108 rada u WOS-CC bazi (21 Q1, 23 Q2, 55Q3 i 9Q4) , ukupno 1493 citata (Scopus), H indeks 23 (Scopus), 27 (Google Scholar).

STIPENDIJE I NAGRADE

1996. stipendija od British Society for Antimicrobial Chemotherapy, 1998. Stipendija od International Society for Infectious Diseases, 2002.: stipendija vlade Italije za postdoktorsko usavršavanje 2003. DAAD stipendija, deset puta dobila stipendiju za akademsku mobilnost Sveučilišta u Zagrebu, 18 puta bila na studijskim boravcima, 2011.: nagrada Medicinskog fakulteta za znanstvenu produktivnost projekta.

MENTORSTVA DOKTORSKIH STUDENATA I POSLIJEDOKTORANADA

obranjeni diplomski radovi: 16

obranjeni doktorski radovi: 11

broj poslijedoktoranada: 3

NASTAVNE AKTIVNOSTI

Medicinski fakultet Zagreb / Predavač na kolegijima Osnove medicinske mikrobiologije i parazitologije i klinička mikrobiologije na dodiplomskom studiju, medical microbiology na dodiplomskom studiju na engleskom jeziku i na poslijediplomskom studiju klinička mikrobiologija.

Medicinski fakultet Zagreb / Od 2009. voditelj kolegija „Multirezistentne bakterije-uzročnici hospitalnih infekcija“ na dodiplomskom studiju.

Od 2012. - voditelj kolegija „Multirezistentne bakterije-uzročnici hospitalnih infekcija na doktorskom studiju Biomedicina i zdravstvo.

Medicinski fakultet Zagreb / Od 2012. do danas voditelj kolegija Specijalna bakteriologija na specijalističkom poslijediplomskom studiju kliničke mikrobiologije

Medicinski fakultet Zagreb / Od 2012. do 2019. voditelj specijalističkog poslijediplomskog studija kliničke mikrobiologije

Zdravstveno veleučilište / Od 2009. voditelj kolegija Metodologija dokazivanja djelotvornosti protumikrobnih lijekova

OBVEZE U ORGANIZACIJI

Medicinski fakultet Zagreb / Od 1990. do 2001. Član komisije za klasifikacijske ispite

Medicinski fakultet Zagreb / Od 2019. do 2022. Član odbora za diplomske radove

Medicinski fakultet Zagreb / Od 2022. Član odbora za doktorate i izbor u znanstvena zvanje

Medicinski fakultet Zagreb / Od 2012. do 2019. Član fakultetskog vijeća za poslijediplomske studije

Medicinski fakultet Zagreb / 2019. - 2025. Zamjenik pročelnika katedre za medicinsku mikrobiologiju i

PERSONAL INFORMATION

First name and last name: Branka Bedenić

EDUCATION

PhD 1998. Institution: University of Zagreb School of Medicine

Master of Science 1993. Institution: University of Zagreb School of Medicine

EMPLOYMENT

University of Zagreb School of Medicine

since 2017 full professor tenure , since 2001 clinical microbiologist at the University Hospital Centre Zagreb

LIST OF ACHIEVEMENTS

- Editorial boards of medical journals / member of the editorial board of the journal Medicinski glasnik, Microorganisms (MDPI), guest editor of special issues in Pharmaceuticals (MDPI), Pathogens, Microorganisms.
- Books and manuals / One of the editor of the book Clinical Microbiology, editor of the book: Multidrug-resistant bacteria, selected chapters. In total 22 chapters in books and manuals.
- Reviewing activities / Permanent reviewer of the journals International journal of antimicrobial Agents, Journal of Global antimicrobial resistance, Journal of Antimicrobial Therapy, Plos one, Heilyon, Frontiers in Microbiology, Pathogen, Microorganisms etc (over 400 reviews in the last five years), guest editor in the journal Pathogens and Pharmaceuticals.
- Projects / 2015-2020: partner of the FAPIC project (Horizon 2020), 2007-2013. Project of the Ministry for Science and Education: Mechanisms of antibiotic resistance of Gram-negative bacteria (principal investigator), six University grants (principal investigator).
- Scientific publications / Total number of papers: 108 in WOS-CC (21 Q1, 23 Q2, 5 5Q3 and 9 Q4) , total number of citations 1493 (Scopus), H indeks 23 (Scopus), 27 (Google Scholar).
- Fellowships and Rewards / 1996: scholarship od British Society for Antimicrobial Chemotherapy, 1998. Scholarship a od International Society for Infectious Diseases, 2002: scholarship of Italian Government for postdoctoral research 2003. DAAD scholarsip, ten times (2015-2025) grant for academic mobility from the University of Zagreb, 18 times on study visits abroad.

MENTORSHIPS OF DOCTORAL STUDENTS AND POST-DOCTORAL STUDENTS

Number of Bachelor degree Thesis: 16

Number of theses defended / number of doctoral dissertations defended: 11

Supervisor of guest researchers: 3

TEACHING ACTIVITIES

Since 2009: leader of the elective subject „Multidrug-resistant bacteria“ at the Graduate study

Since 2011: leader of the subject „Multidrug-resistant bacteria“ at the doctoral study Biomedicine and Health

Since 2012: leader of the subject Bacteriology and the postgraduate study course in medical microbiology

Since 1990: teacher at the subject: basic medical microbiology

Since 2000: teacher at the subject: clinical microbiology

Since 2000: lecturer at the postgraduate study course in clinical microbiology

Since 2016: coordinator of the mentorship programme of the European Society for clinical microbiology and Infectious Diseases

UNIVERSITY RESPONSIBILITIES

2012-2019: leader of the postgraduate study of clinical microbiology

2019-2025: Deputy Head of Department for Medical Microbiology and Parasitology

Since 2012. leader of the elective subject“Multidrug-resistant bacteria-causative agents of hospital infections at the PhD Program Biomedicine and Health

1990-2002-member of the University Board for entrance examinations

2019-2022. member of the University Board for graduation Thesis and final exams

Since 2022: member of the University Board for PhD Thesis
